

ATTENTION RESIDENTS: *Osceola County is experiencing an influx of contamination in the green recycle carts currently at your home. Did you know that plastic bags are not allowed in your recycle container? That's right. We want your recyclables to be clean and loose in your cart. This includes ONLY glass and plastic bottles, aluminum cans, paper such as newspaper, office paper, magazines, junk mail and catalogs and flattened clean cardboard. NO GARBAGE, NO PLASTIC BAGS, NO STYROFOAM, NO TOYS. Help us prevent contaminated recycle loads from being turned away at the recycle facilities. Your neighbors are working really hard to recycle properly and ONE messy cart can contaminate an entire load. Let's recycle right! Feel free to call the County Solid Waste office at 407-742-7750 should you have any questions.*

*Please take a few minutes to view the video below.*
