

ASSOCIATION OF
POINCIANA
VILLAGES

The Association of Poinciana Villages greatly appreciates the work the Courts and DBPR did in reviewing APV's election processes. Thanks to the two Orders issued by the DBPR and the Declaratory Judgment issued by the Polk County Circuit Court, APV was given direction on how to account for votes cast for unplatted tracts of land. Going forward, APV will recognize the developer's right granted by each Village Association to cast votes on behalf of its unplatted tracts of land without platting them.
